

## Docket No. PHUS-58 AMENDMENT TO THE CLAIMS

-1-

**CLAIMS**

We claim the following:

- 1) (Previously Amended) A pharmaceutical composition comprising:
  - a) oxybutynin;
  - b) a second drug for treating incontinence, wherein the second drug is selected from the group consisting of darifenacin, duloxetine and tolterodine; and
  - c) at least one pharmaceutical excipient.
- 2) (Original) The pharmaceutical composition of claim 1, wherein the pharmaceutical composition is present as a manufactured batch.
- 3) (Withdrawn)
- 4) (Withdrawn)
- 5) (Original) The pharmaceutical composition of claim 1, wherein the pharmaceutical composition is present as a unit dose.
- 6) (Original) The pharmaceutical composition of claim 5, wherein at least one of the oxybutynin and the second drug is present in a therapeutically effective amount.
- 7) (Original) The pharmaceutical composition of claim 5, wherein the oxybutynin and the second drug are each present in a therapeutically effective amount.
- 8) (Original) The pharmaceutical composition of claim 5, wherein at least one of the oxybutynin and the second drug is present in a sub-therapeutically effective amount.
- 9) (Original) The pharmaceutical composition of claim 5, wherein the oxybutynin and the second drug are present in sub-therapeutically effective amounts.
- 10) (Original) The pharmaceutical composition of claim 5 comprising:
  - a) a homogeneous mixture of oxybutynin, the second drug and at least one pharmaceutical excipient.
- 11) (Original) The pharmaceutical composition of claim 5 comprising:
  - a) a heterogeneous mixture of oxybutynin, the second drug and at least one pharmaceutical excipient.
- 12) (Original) The pharmaceutical composition of claim 1, 2 or 5, wherein the weight ratio of oxybutynin to second drug ranges from 1:0.1 to 1:20.
